budget. This is not a surplus, as it has been accounted for and only amounts to a paper transfer. When asked about the swine flu immunization program in the area, Dr. J. B. Kinlaw, area health director, told the board "I just don't have the personnel and neither does any health department, so we are asking industry to help out."

Dr. Kinlaw said originally the department planned to give the shots during the last two weeks in October, but delays in producing the vaccine have pushed the program until Nov. 5 through 12.

"We're going to be taxed," he said, in giving the shots to 140,000 people in the Central Virginia area.

In his report to the board, Slagle said Pamplin again is seeking a Department of Housing and Urban Development grant to finance a water and sewer system for the town.

The town tried unsuccessfully for a similar grant last year so it is attempting to gather more information to document this year's application.

Raiders Shutout Generals 14-0

After the second game of the season, it looks like the Raider defense is for real, however the big test comes this week in the form of the Rustburg Red Devils.

Last week at Naruna the fans were treated to several goal line stands and the Raiders, led by Robert Dyess, Mitch Eggleston, Phil Jamerson, James Robinson, R. L. Harris, Lewis Martin, Tony Snell and Tom Wingfield, stood the test. But, let's not overlook the offense. "BooBoo" Trent had another outstanding game with 154 yards on 25 carries, a six yard per carry average, and scored another touchdown which should put him among the leaders in the Seminole District. District leader, Ricky Davis, of William Campbell could not add to his total. Quarterback, Joe Fraley set up the first Appomattox touchdown in the first quarter, with a 26 yard pass to Cecil Booker that carried to the, General seven yard line. John Hudgins scored from the one on third down and Tommy Bryant kicked the extra point to give the Raiders a 7 - 0 lead.

In the second quarter, after the Raider defense stopped the Generals on their own two yard line, the offense marched 98 yards in 10 plays with Trent picking up 76 yards and the touchdown. Bryant added his sixth extra point, without a miss, and Appomattox led 14 - 0 which was the final score.

The Raiders were penalized eleven times for a total of 102 yards, a gift they cannot afford to give Rustburg this week. The Devils Quarterback Dennis Rosser and an excellent running back named Mauri Anderson will take advantage of any Raider mistakes. Anderson has scored 38 points in two games and will provide the challenge for that Raider defense.

It should be an exciting contest.

HUNTERS BE CAREFUL!!!

Now that the hunting season is under way, Continental Telephone of Virginia has issued a plea for "careful shooting" by hunters near telephone equipment.

Orval Wallcraft, District Plant Manager for Continental's Western District, pointed out, there have been instances of recent and past gunfire damage to telephone equipment in the area.

"Even the smallest shot can cut a wire, shatter an insulator, or otherwise disrupt telephone service", Wallcraft said.

Raider Jayvees Win 26 - 0

The Appomattox Junior Varsity had an easy time in defeating William Campbell 26 - 0 in Bragg Stadium last week.

Quarterback Byron Roach went to the air early and found Dennis Mosley with a 18 yard pass to score midway in the first quarter. The extra point attempt was no good. Roach scored on a quarterback keeper in the second quarter, Larry Kelso ran for the extra points and Appomattox led at half-time 14 - 0.

Larry Kelso took the ball in from eleven yards out in the third quarter with 1:35 remaining, the point after was no good, and on the first play of the fourth quarter Ernie Chenault plowed into the end zone with the final touchdown of the night.

Backing up Roach at the signal calling position were Ronnie Robinson and Steve Mayberry with Dennis Mosley, Steve Poole, Larry Kelso, Ernie Chenault and Darrell Schrock doing most of the ball carrying.

Raider defense was led by S. L. Ferguson, Larry White, John Foxwell and Tony Ferguson.

The Junior Raiders will journey to Rustburg tonight for a 6:00 game with the Imps.

Players Of The Week

Phil Jamerson, left, and "Boo Boo" Trent were named Players of the Week" for their contribution to the Raiders' 14-0 victory over William Campbell. Phil had an excellent game on both offense and defense and played a key role in stopping the Generals drive on the Raider two yard line. "Boo Boo" received the honor for the second straight week as he continues to penetrate the opposition's defense for yardage and points. He ranks among the Seminole District leaders on both counts.

Concord TOPS News

TOPS(Take off Pounds Sensibly) held a brief meeting and weigh-in on Sept. 6, 1976. Sandra Martin was best loser of the week with a loss of 6½ pounds. We are proud of each and everyone of our members. We may not have a big crowd but we really enjoy ourselves. Losing weigh is our goal and we're slowly but surely conquering the hardest thing most of us have ever done in our lives. It's not much fun to diet but look what we have when we reach our goals - a slim and trim figure that everyone comments on. It's a good feeling when someone says, "you sure have lost a lot of weight". It's always sweet music to everyones ears to hear a comment like that.

TOPS is going to have an Arts & Crafts Sale soon. All the members are making and contributing crafts to be sold to raise funds for the organization. When the time and place is decided there will be a notice in this column telling all the details.

TOPS hint for the week: Diet one meal at a time. Thinking too far ahead is discouraging to most people.
